“ *My dear Jutta, I know you are with those you love and who love you. And I imagine that includes good friends too; like the ones who gave you their mushrooms! As for those of us still here whom you loved and who love you, we will miss sharing new memories; however, we'll keep the ones we have warming our hearts. And I personally will root for your Islanders whenever they are not playing my Lightning and celebrate both National Elephant Day and International Elephant Day in your honor! For all the family and friends, I pray you find Peace and Comfort as time progresses, knowing Jutta is well with Our Father. Such a full life for such a good lady.*
