It is rare to find a person with as big a heart as Kaitlin! I always saw her put others first. she was an angel to me unconditionally supportive to me and my animals. Her loss is felt wide and deep. May she rest in peace knowing she made the world a much better place.

“ kait, i think of you all the time. you were the best stepmom i could've ever asked for, i miss your silliness and i miss our times together. you always told me that you wanted me to see you as a bestfriend and not as a parent, and i hope you know you were always my bestfriend. I love you forever and I'll always remember you for who you showed me you were, which was a kind, loving and compassionate lady who loved my father endlessly. thank you.

“*Kate was so patient with my older, timid Yorkie Duke. She would sit on the floor of her van to make him feel safe while she groomed him. She was always caring and took her time. It took me a long time to find someone Duke was comfortable with-she is irreplaceable to both of us. Sending prayers to Kate and Lou's families. Cristy Buckholtz*

“ I am in disbelief & heartbroken in tears to hear this very sad news about Kate & Luis passing. This is so devastating. Kate was my Groomer for 10 years for my Buster until he passed & now my new Puppy Teddy she had just groomed in Nov. She was so good & patience with both of them & treated them like her own dog. Kate was a hard worker & one of the sweetest person I have ever met who always had a smile on her face. . I enjoyed our talks with her & her nice Mom at the shop every 2 months for many years. I met Luis at the shop when he was helping out & he was a very nice guy. I am going be lost without seeing Kate & now not grooming my dog anymore. God has taken a true Angel too soon. You will be missed by me & many people who have known you tremendously. Rest in heavenly peace with your love Luis. 🥹💔🙏🏻✝️

“ I am so incredibly sorry to hear of Kate’s passing. She went above and beyond to make sure my dog Milo was well cared for, and it left a huge impression on me. He absolutely loved being groomed by Kate and she always greeted us with a huge smile. Heartbroken to hear the news. Sending love to her family and friends.

“ Our hearts are absolutely broken over the tragic death of Kate. Over the past nine years, we developed a wonderful relationship with not only Kate, but her mom & aunt as well. I remember the first time we brought our biting Benji to Kate, outfitted with a basket muzzle, peanut butter and a long spoon so he wouldn't bite her. She never used any of it on him; never had to. He loved Kate (& she loved him) from the very beginning and that love affair lasted until his death this past April. I have visions of Benji meeting Kate (& Lou) at the gates of heaven and jumping into her arms. We are so sad, so shocked and so very sorry for Linda, Tom, Margaret and Kate's entire family. What a tremendous loss. She will live on in our hearts and memories forever. May she rest in eternal peace. Lisa & Joe Pisano

“ After a bad grooming experience I took my dog to Kate and she immediately bonded with him and I knew we had found our groomer for life. I am heartbroken to think of Kate's passing and will always think of her smiling and the love that she exuded every time I handed my dog over to her and every time she handed him back to me ❤️ I pray that her family will find some peace in the words being posted and the knowledge that her smile and love will not be forgotten.

“ I am so deeply saddened by the passing of Kate and Lu. Kate has been our groomer and friend for almost a decade, and we saw her every 6 weeks for all of that time. We moved over an hour away into the city but still came faithfully because we loved and trusted Kate. She would always say “Penny is such a good girl” after each time we saw her. We talked about the horses at Penny’s appointment in November and how much she loved them and loved to ride. May God bless you Kate, and may God bless Lu. My deepest condolences to all of Kate’s family, may they find peace in knowing how much she was loved by all of us.

“ I never had the pleasure to meet Kaitlyn or "Big Lou" (as Tom would call him), but I certainly have been blessed by hearing about them from a very proud father in Tom. Our hearts go out to the family and words are never enough, but we pray that God's grace will fill the void left by these incredible individuals. I know that Kaitlyn was a wonderful person, stellar groomer, very dedicated worker and beloved daughter. God bless the McCready family. John & Angels Sapienza and family

Kate was so unique such an animal lover. after a horrible groomer experience she took my lil zoey & Buster under her wing and he assured me that everything will be OK and as much as little Zoe, as she always said has a big attitude, but she loved her and she loved Buster and she is going to be so missed my condolences once again to the family of such a wonderful, beautiful caring person
