“ *My cousin, Kari, and I spent many summers together either at her home in Huntington Station, mine in Sussex, New Jersey or in Barnegat Light on Long Beach Island at our Norwegian grandparent's summer house. She imparted her love of animals to me - especially horses - which influenced me to learn to ride as a little girl. May there be lots of cats, dogs and horses in your new world for you to surround yourself with. Love, Kris (Hall) Lazzara, Walnut Creek, CA*
