“ Ivan and family, We send our sincere condolences to each of you in this most difficult time.

In the times that we met, it was so apparent that Kathy was a wonderful lady, so full of life and personality. While she may now be in a better place, she will forever live on in each of you. You are her legacy.

When the time is right, hopefully you can more easily remember and focus on the good and wonderful times, shared across the decades. Our thoughts and prayers are with you, Stu & Rosemary

“ Ivan and Family,
We have often thought of you and Kathy in the past few years, praying for the best, but realizing that might not be the case. Please accept our deepest condolences on your loss. So many of us have had loved ones that suffered through or lost to the battle with cancer. May your troubled times be softened by the love you felt for Kathy, and shortened by your love for each other.

*Warmest Regards,
Bill & Su*
