Jasmine. Thank you so much for the video. I know it's kind of late but keendar funeral is tomorrow morning I would love for you and your family to join us. I can tell that you were a close friend of keendar. Please contact me at 6319016926

Ruthnie(keendar older cousin) - January 06, 2017 at 09:06 PM

“ *Keendar - My son Trevan was your classmate and we are all saddened by the news. Trevan said he thought so highly of you and that you were probably the nicest kid he knew. I wish I could have seen you join the team and play. Nothing to study where you are so be carefree and watch over your family.
To the family I hope that in time your pain subsides and you are fueled, inspired and joyous by his memories. Your son made an impact to many as seen here and for that be proud that he impacted so many in such a short time.
Rest well and the Meagher family has you all in our thoughts.*

“ We dedicatete this song to him

Wind Beneath My Wings

Bette Midler

Ohhhh, oh, oh, oh, ohhh.

It must have been cold there in my shadow,

To never have sunlight on your face.

You were content to let me shine, that's your way.

You always walked a step behind.

So I was the one with all the glory,

While you were the one with all the strength.

A beautiful face without a name for so long.

A beautiful smile to hide the pain.

Did you ever know that you're my hero,

And everything I would like to be?

I can fly higher than an eagle,

For you are the wind beneath my wings.

It might have appeared to go unnoticed,

But I've got it all here in my heart.

I want you to know I know the truth, of course I know it.

I would be nothing without you.

Did you ever know that you're my hero?

You're everything I wish I could be.

I could fly higher than an eagle,

For you are the wind beneath my wings.

Did I ever tell you you're my hero?

You're everything, everything I wish I could be.

Oh, and I, I could fly higher than an eagle,

For you are the wind beneath my wings,

'cause you are the wind beneath my wings.

*Oh, the wind beneath my wings.
You, you, you, you are the wind beneath my wings.
Fly, fly, fly away. You let me fly so high.
Oh, you, you, you, the wind beneath my wings.
Oh, you, you, you, the wind beneath my wings.*

*Fly, fly, fly high against the sky,
So high I almost touch the sky.
Thank you, thank you,
Thank God for you, the wind beneath my wings.*

“ Keendar,

it was such an honor to be your bigger and older sister ,you're only sister matter of fact.keendar you will always be in my heart you had the kindest heart ,and you were satisfied of what you had ,you helped your little brother and myself when me and mozhar get into arguments and you always make us hash things out and forgive one another. I would always say that one day you would be a great Father to your kids because keendar you were full of sunshine just like your favorite colors orange and yellow .i will never forget about the 7th grade orientation when I helped you open your locker and showed you all your classrooms .or the projects I helped you do .i will never forget the times when every single summer you and mozhar and I played basketball every year,or the times we would all watched old Disney movies or the cool pictures that I would make us all do that you weren't a fan of, but you had an amazing smile. Keendar I love so much you would always follo me when we were little kids whatever I would do - you would do it to whatever I ate or watched or listened to you so the same .you were like my twin .you and mozhar were so close you and him would play fight all the time you would make him food and help him with homework or played with him on the Xbox you were definitely mozhar everything I would have to say . I have plenty more memories but I will never forget the laughs we shared no matter how much me and you and mozhar fight we always ,always,always love each other at the end of the day.you're my boy, my partner ❤️ ,momm's boy and my fushigi .You mean so much to me and mozhar but I know your in heaven with the lord a place with no worries but LOVE AND PEACE You are our guardian angel 😇 Tell grandma and grandpa Mozhar and I said hi keendar We'll see you soon ❤️👉👈🙏🤝👤👤

*Love truly,
Your sister & mozhar*

“ Keendar,

I was so upset and in denial to hear the news that a close friend and great person was no longer with us. I will never forget you and the fantastic memories and laughs we have had together. You were always so smart and determined and helpful whenever someone needed it. You were so ready for the football team when offered a chance but turned it down to focus on your studies. You showed true courage and self confidence by doing such a thing. You meant the world to everyone you have ever met and you will never be forgotten. I feel bad for everyone who didn't know Keendar Durand like me and his true friends did. You will always be loved Keendar.
