“ Gerald, Jason, Angie and Logan,
Kelly was a wonderful friend. I have known her since we were in Kindergarten at Maplewood Elementary. I spent a lot of time at the Furone household when I was a kid playing with my little pony's, while Kelly listened to the Monkey's. I remember playing in the yard and picking figs off the fig tree. I remember her favorite color was purple and everyone was a friend. She was always such a kind person. She will be terribly missed. I feel in the sadness of your loss, but I will always hold the memories close.

Respectfully,
Leslie Gonzalez
