“ *Please accept my sincere condolences. I went on Facebook to wish him a Happy Birthday and I was shocked to see that he had passed away. Kenny was a gentle spirit and I was lucky for having known him.*

“ *Thank you to all for your sympathy, wonderful stories, and touching comments about Kenny. You tugged at the heart, brought a tear to the eye, and even made us chuckle. He indeed was special and will always be remembered as such.*  
*Thank you also to the staff at Jacobsen's. The arrangements were a perfect tribute to a great guy. The genuine care was so much more than comforting.*

“ *Words are difficult to find at such a sad time. I offer my most sincere condolences to Kenny's family and friends. He was a very special man, with a kind and generous heart. He was genuine and true and caring in all he said and did, and I will him.*
