“ My family was so sorry to hear this very sad news. She will be missed for her lovely smile and the care she brought to the club. We will never forget the way she took care of our family when our daughter Kimberly passed. May the angels take care of her now.

“ To Kerri's Family and Friends,

*My deepest sympathy on the loss of Kerri. I will never forget how kind and compassionate Kerri was when my son Ryan died. She opened up the Bay Club during it's annual closing and rallied the staff to come in so my family could be in a familiar place. Ryan was working for Kerri at the time and although he was not the best employee she kept his time card in the office for a long time. She had a good heart and much empathy for the pain my family was going through. May she rest in peace.*

“ People come into each other's life for a reason or a season. Although Kerri and I lost touch many years go, I have fond memories of her when we were young girls in high school. My condolences to her family and to all the people whose life she touched in some way. God Bless.
