“ *What I admire the most about you was your love for family connection. Distant or immediate, you had nick names for us all and we loved you for that. You loved to learn and share share information and you sure knew how to cut up! And we loved you even more for THAT. I miss you now, but I know I will miss you and your bomb cooking more at EACH and EVERY holiday & family party. Enjoy paradise and Rest In Peace. Your Niece, Amelia*

“ *Goodbye Brother*  
*On Heaven has called upon you today,*  
*leaving so many words left to say.*  
*But now it's too late, for your time has come.*  
*Words unspoken - I am sure everybody has some.*  
*Regrets and wishes are probably there too,*  
*but lasting forever are memories of you.*  
*I was there when you needed a place to stay,*  
*just like you would be there for me night or day.*  
*There have been many times that we disagreed,*  
*but we were there for each other in time of need.*  
*Now it's time for me to say goodbye,*  
*until we meet again in heaven to fly.*

*This picture reminds me of just how much I love you!*
