“ *I cannot believe you are gone my sweet angel. I will miss you more than you will ever know. I hope to share every memory of you and your beautiful spirit with Ariya. She will know you were the best mom in the world, who loved her more than anything!!! I hope my mom and dad are spoiling you rotten, like you deserve to be spoiled, especially after all the suffering you endured. I know you were welcomed by many and now our suffering begins, without you here. Give us strength and please help us take care of one another. Your sweet, gentle voice, kind ways, loving spirit and genuine heart will be missed forever!!*

“ *Dear Peg you have endured more than your share of heartache and this is beyond words - I have no doubt that Kim's life force joins her family in light - to those left behind I wish you all peace - from one mom to another and from one oldest friend to another I am only a call away in those moments that can be too heavy to hold alone - we can think of her everyday together . Blessings and love, Dale*
