“ I worked with Larry at H S I IN Port Washington NY - he was a Great man,- he constantly talked about his little girls and his wife - he was so proud of his ladies; he glowed when his little girl was going to the Fashion Institute (FIT) - he was always a family man, no matter a big or small moment - he loved them through and through

may you know he will watch over you and his four leggers - Wishing you all the best and you are in my thoughts and prayers

“ Karen, I am so sorry & shocked to hear about Larry’s passing. Even though I haven’t seen him since our days together working together at Record World/ Elroy I’ve kept great memories of him throughout the years. A good co-worker but more importantly a good friend. I’ll keep you all in my prayers.
