“ *I am shocked to learn of Lenore's passing. This comes a bit late, but I did a search for her on the internet and found this memoriam. I was a Dec Den franchise owner in Lenore's region '98 -2000. She was always an inspiration to me both in business and as a caring person. My heartfelt condolences to all her family.*

“ Brandy and David

My heart goes out to you for your loss. May God Bless you both. Having watched the video I noticed your Mom always had a big smile, in every picture she was always smiling. I did not get to spend much time with her and when things like this happen you wonder why we forget to keep in touch with the people around us. God Bless you both. All my love always.

“ Dear Max and family/friends of Lenore. Our long-distance relationship has been mostly professional, but your love for Lenore, Max, has been so touching and invigorating to us.

Your constant support must have meant so much to her; and the comments we have read from your franchise team say far more about her love and support for THEM than we could have known.

Best to all in these very difficult days...Cliff & Judy

“ *you are now at peace my dear cousin....you are with my dad and your mom....*

and always remember this:

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget"
