“ Casey lived next door to my best friend’s family in Smithown, and we saw her often. She was so nice, and so tolerant of us as noisy teenagers and young adults. She often joined the parties. I just came from visiting Mrs Dickerson; she asked me if I could find out where Casey is now. I am so sorry to have found this obituary instead. Please know she is remembered with fondness, and my condolences to the family.

Dear Kelly, thank you! I have been trying to reach the Dickerson family, as they were so much a part of her life. Barbara Dickerson and my Mom were very close friends. Please give my best wishes to Mrs. Dickerson.
