“ *I just saw this about Louie. We were in HS together but not real close. I was a rifleman in Vietnam and was on patrol one day when we dug into a FSB in the iron triangle. I walked into Louie there which blew me away. Later I was transferred out of the field to HHC and somehow heard Louie was hit. I managed to see him in the hospital remembering him bandaged eye etc. After the army we never discussed seeing each other in Vietnam. I praise him for his service and offer my sympathy to his immediate family and friends. He left too soon*

“ *Sorry I was unable to attend. I sure am going to miss the old guy, what can I say, My brother (David) and I would just refer to him as "Screwy Louis" rather than Uncle Louis, I can however say that he lived life to the fullest, just sad to see he leave us all too soon. For what it's worth, I was drinking a beer in a local bar in Key West Florida about the time he left us, guess in a way he would have like that. Love you, you'll be missed!*
