“ *When I think of Lucille, I remember her driving everyday to Groveland from Kissimmee to sit for hours and hold the new born baby, Anastasia. You can just feel the love pouring out of her for her new granddaughter. There are other memories, but that beautiful one sticks out in my mind.*

*Lucille, Mama, will never leave her family, because in every memory each of you hold, you'll hear her voice and her smile will warm you. Mama will live on in every heart she ever touched.*

*Our deepest sympathies,  
Rosanne & Jeneanne*
