“ Dear Lynda's Family,

*My sincere condolences for your loss.*

*I am sorry I wasn't able to attend Lynda's memorial yesterday, but I will always cherish my memories of working with Lynda as part of our high school youth group leadership team.*

*Lynda was integral to organizing our many opportunities to present Jesus to high school classes, church and synagogue groups, and concerts in the park, as well as launching Central Pres's Upper Room (thanks to her dad's phone company connection). I was always impressed by her compassion in sharing with others.*

*Although I hadn't spoken to Lynda since college, I look forward to meeting again.*

*Sincerely,*

*Don Maynard*
