“Manny was my colleague at Time Magazine many years ago for several years when we both worked in the Picture Traffic department. He was always so kind and friendly and we shared many laughs together. The consummate gentleman, he was a sharp dresser, a good and caring son to his mother, a lovely person and a good friend. I will always remember and be grateful for the great lunches he treated me to at his favorite Brazilian restaurant. Sadly, we lost touch some time ago. I found myself thinking about him, wanting to reconnect when I came upon the news of his passing. I extend my deepest condolences to his family. He was a very special man and I will never forget him. May he be at peace and know he was loved by many.

“I cannot express fully the sorrow that I feel at this time. Uncle Manny you were a good Uncle to all of your nieces and nephews. It gives me comfort knowing that you are now at peace in the Lord's Kingdom with your sisters Molly and Minnie and your brothers Danny, Tony, and Johnny. For to be absent from the body is to be present with the Lord. I'm sure that along with your siblings both grandpa and grandma were waiting to welcome you at the golden gates. You will be sadly missed. Rest peacefully Uncle Manny and know that you were loved. Your niece Renee ☐

*I only learned of Manny's passing through our colleague at TIME Magazine. I will remember Manny for his pleasant, kind and smiling face to us, he had humor to share with us especially at times when we were busy and he would break the ice of his presence. He is now in heaven enjoying the peace and joy of the Lord's Kingdom. We miss you Manny: you are in our prayers always. 🙏❤️ Love, Louella*
