Words of remembrance by Diana

Our mom Marcella was the best mom, she went above and beyond for her family . She worked hard her whole life . Even when she was exhausted she didn't stop . My mom was the best baker and she loved to make reservations. My mom lived a fabulous life. She loved her home so much, road trips and she loved going to her favorite wineries. My mom was our best friend and she was our hero . She loved her job being in the car business, working with people and her customers. Our mom had so many people who loved her. My mom loved her doggies they always made her happy. She always sacrificed a lot just to make everyone happy. Most of all she loved her family and we had so many wonderful times we always made each other happy. She loved romance and good times with her partner Greg, they had wonderful times together. Mommy loved going to new hope Pennsylvania. She loved Broadway shows and loved music, Cher , Bett Midler and Italian music. She loved beautiful Italian restaurants. She loves comedy. She loved romance one of her favorite shows on TV with sex and the city. My mother loves beautiful clothes and she loved her high heels. She loves fashion and always looking great. My mother's favorite thing was ciao Bella. And my mom was always fabulous.
