“ *Prayers for the family as you go through this sad time and in the days ahead. MARci had one of the most beautiful souls I have ever known. She will be missed by many. The mark she leaves behind will never be erased from the hearts of those who knew her. Rest in peace, dear Marci. Rest in peace !!*

“ *Many people have come into my life over the years, but few with the impact of Marci Lansbury. We met online 11 or 12 years ago, she as Machais, and I as WoolyBee. I was anxious to meet her in person, and finally that day came, and she has been a true friend to me since that time. She was a kind, adventurous, caring and gentle person who tried to hide it, but all of her friends online soon found out how loving she could be. I just watched the memory video and it truly captured Marci's love of family, (Bill, Laurie and Jenna), her friends, travel and her plants. I will truly miss Marci, my friend.*

“ *Marci's strength of character, generosity, and self-reliance will always be an inspiration to me. By attempting to follow her example, I hope to keep her spirit alive, as she whispers words of encouragement from a new place, just as she did from the old.*

“*Marci thank you so much for being a friend to me over the years. I have so many wonderful memories that will stay with me always. To Bill, Laurie and Jenna - Marci was a very special "Lady" and a true "Sister of the Heart." You were her world. We now have another very special angel watching over us and we are all so lucky to have been a part of her life.*
