A former teacher, she spent many years watching other peoples' children as well as taking care of her own family.

Margaret loved to knit and devoted a good deal of time to her knitting needles. She made 12 red, white and blue blankets each year for many years which she donated to Veterans, hoping to cheer them up. She also made numerous baby blankets, scarves and graduation blankets for family and friends.

She will be remembered by her family & friends as a happy, caring, loving, sometimes stubborn woman who always put others first.

“ I'll miss "Mom" Pausel very much. I admired her "old school" values and was impressed with her insight on modern day events as well. She always thought of me when I was helping my Uncle who heated his house with a wood burning stove, supplying me with wood whenever it became available. She shared stories of how folks in Michigan also heated their homes with wood, and was happy to help. She welcomed me to visit whenever I was in the area, always offered positive thoughts, and made me feel like a part of the family. "Mom" Pausel will be missed very much.
