“ *Whenever I think of Aunt Margaret it makes me smile. She was such a fun, caring woman. I'll never forget how she dropped everything to help care for my mom while bringing along some much needed cheer. I will miss her.*

My thoughts and prayers are with your entire family.

Tony Scimeca - January 01, 2009 at 12:00 AM

“ *All memories of my Aunt Margaret bring a smile to my face. From childhood picnics to Mulligan's rule golf. I was blessed that she shared her love with me.*

I take comfort that she is watching over us still, (while enjoying lunch with Alice, etal).

“ Although Noah and Jude did not know their great grandma very much, they will look forward to seeing her and getting to know her unique qualities in the new system of things when Jesus promised to resurrect the dead back to life in a beautiful paradise earth.
