“ *I am so sorry for your loss. Wow 101, a blessing we know, still we want our loved ones to live forever, never dying because God cause us to feel this way because he know that soon we will not be dying, we will as he always wanted live forever, that is why he says at Ecclesiastes 3:11: He has put eternity into their hearts. Please find some comfort in knowing that when he bring our loved ones back to life, this time, they may be able to live forever.*
