“*Mrs. Driscoll has been a part of my life since as long as I can remember. She is one of the kindest and most caring people I have ever met, and I was always able to count on her to be there for me. I could just walk into her backyard to talk, and I knew that she would be around. I regret not being able to keep in closer contact these last few months since I've been at school, but I will miss her greatly and love her no matter what. Patti, Carolyn, and Timmy I'm very sorry for your loss; she will be missed by every one.*

“ I'll never forget Mrs.Driscoll and the great memories I have of her. I always knew that when I would look into her backyard from my grandparents home,I could count on seeing her outside gardening or with her dog. Mrs.Driscoll was such a caring and loving woman and I will never forget running over to her house every day to be greeted by open arms. I always knew that I could talk to Mrs.Driscoll and she would be genuinely listening to what I was saying. Mrs.Driscoll never felt like a family friend, but more like true family and I will never forget that and will always love her. Patti, Carolyn, and Timmy, I am extremely sorry for your loss-She will be missed greatly by so many people.
