“ So many really good memories: Terry lived the Scout Law every day: trustworthy. loyal. helpful.... She was a woman of great character. True friend and wonderful neighbor. Always a nurse - more than once, I had to run to her for first aid. A mother that supported her children's endeavors i.e. stilt-walking, making snow sculptures - too many to list. Oh, Terry really loved snow. She would be sure to herald the arrival of the first snowfall of the year. Terry is someone who I can say made my life better simply by knowing her. A life well done!!!
