“ *Marjorie Shaffer was an amazing lady, her loving kindness will be remembered by our family forever. Her commitment to her family and ministry is a living example to everyone. She took care of our baby's in the nursery, went on retreats with our teenagers, had tons of fun with our "home makers", played games with the seniors, made wonderful treats after every deacons meeting and was the best dressed lady in town. We will love you forever.*

“ *Pastor Charles Shaffer and Sister Marjorie Shaffer were such important leaders in the life of our family. They were my grandparents' pastors, they were my parent's pastors. They were not only pastors, they were our spiritual parents. Their love and encouragement spurred my parents and many others on in ministry and with their caring, nurturing nature they loved us through all of our growing up years. We have stayed in contact through adulthood and I'm thankful to say that Sister Shaffer was there for me in a special way during my mom's recent, sudden passing to heaven. She had a way of praying and assuring you that things would be ok. Her faith in God was amazing.*

I know that Sister Shaffer made a joyful entrance into heaven and is there with her beloved husband and all those who have gone before. There is no doubt that they will continue to cheer us on from heaven's grandstands as we continue to run the race set before us. May we run it with the faithfulness and diligence of this precious woman of God.

Sister Shaffer, your memory will remain forever in our hearts. Thank you for your life, example and testimony that touched so many lives, but especially mine.

Your memory will always be precious to me.

“ *Pastor and Sister Shaffer were my first pastors. They were both always so loving towards one another and their congregation. Sister Shaffer was such a nurturer. She truly cared for you. I was saved and baptized under their ministry. A few ago, while reminiscing, I thought many of the individuals that have served as pastors and missionaries that have come out of Huntington Assembly. I believe much of it has to be attributed to the pastors' hearts they both had throughout decades of ministry. She ran this race so well, and now she has received her prize. What an abundant life she lived. Terry, Melody, and family...our thoughts and prayers are with you. We love you.*

“ *Marjorie Shaffer was my pastor's wife from the age of 12 onward. When she and Charles Shaffer candidated for the Huntington church, they stayed at our house. I was fascinated with everything about her (not the least of which were her beautiful clothes!). More than anyone other than my mother, she had the greatest influence on my becoming who I am. I carefully watched her navigate life in ministry with grace and joy while maintaining boundaries around her home. More than anything, I watched her relationship with her husband. She and Pastor Shaffer clearly loved each other well and demonstrated what real teamwork looks like. I have missed her physical presence many times over the years, but know part of her is embedded in me.*

Good-bye for now, dear friend.

“ *I'm so sorry to hear of the passing of our dear Sister Shaffer. When my husband and I were married in 1986 and she knew I'd be a minister's wife she wrote me such a lovely letter of practical advice and encouragement to me. After returning from 16 and a half years in India I was so pleased to find where I had stored the letter. In the letter she encouraged me to "give myself away". I'm so grateful for the example of an amazing wife, mother and Pastor's wife Sister Shaffer was to me and my family. We will never forget her. My condolences to Melody and Terry and all the family.*
