“ Mark was a good man, he was my “uncle Mark” as a kid (my sister’s godfather) and then my stepfather later in life. He loved my siblings, mom and I as much as he could. I’m sorry we lost touch. Rest in peace Mark.

“ Mark and I attended Medic school together. Our classroom was auditorium seating. Mark sat in front of me and was often caught using my knees as a pillow for his naps. I always said he must have learned by osmosis, because he missed half the lectures! Rest easy. Say hi to Gil for me. Till we meet again.

Mark & I taught a T.O.P. Class @ The EMS Academy. he was a great, intelligent & compassionate Instructor. He was also a great advocate for our students. All this while being one of the funniest people I've ever worked with ! He is greatly missed by our EMS community !
