“ *It is with great sadness and heavy heart to hear about the passing of Martha. Offering my sympathy and my deepest condolences during this difficult time for Michael and family for the loss of Martha beloved mother Martha.*

She was such a wonderful person and everyone loved her and she was a friend to so many and she will be truly missed by all. If there is a circle of friends in heaven, I hope she saves us all a spot right next to her. Till we all meet again you will always be in our hearts.

All my love, thoughts and prayer are with you. May God rest her soul and may her memory be eternal.

*Your friend,
John G. Levas*

“ *My deepest condolences goes out to Martha's beloved "children", the ones she loved so dearly ... Michael, Sandy, Joe, and Lucy ... and the entire LaSorsa family and extended family. I remember Martha (actually "Mrs. LaSorsa" is what I called her) so very well while growing up as a kid in the neighborhood. Although it was clear who was in charge and "ran" the family (yes, Martha did!), she always took the time to take care of me and keep me out of trouble (or at least attempt too) as a family friend and friend to her kids . She treated me so kindly and made me feel special ... and God only knows I didn't deserve it with my rowdy behavior back then. I can still hear the sounds of her shouting out "P H I L L L I I I P!!!" every time I did something crazy in her sight. She was loving, giving, kind, generous, caring and good person to everyone she encountered. As I now recall, the 3 words that come to mind which reflects Martha's life on earth are: Faith; Family; & Love. She was such a great role model of compassion and humanity for her family, her children, and for us kids I the neighborhood. I hope that the many fond & loving memories of times shared with Martha can bring comfort to her family and friends in the coming months and years. May she rest in peace with God in heaven for eternity ... and may God bless her family with strength, peace, health & happiness in all the days ahead. With love and loving memories of "Mrs. LaSorsa," - Phil (or should I say "P H I L L L I I I P!!!")*
