“ *Mom since the day you left me my life has forever changed. I so wanted you home with me to take care of you as you did for me my whole life. Now I feel this overwhelming grief and sadness. My house is so empty without you. I see you everywhere. Please help me through this dark period. This world was a much better place with you in it. I can only hope I am half as good a person you were. Your caring, kindness, generosity and unconditional love were an inspiration to me. You were the best mother any daughter could ask for. The life lessons you taught me will always be remembered. I was so blessed to have you in my life as long as I did. Forever grateful for your love and guidance. Love you forever and until we meet again Patty*
