“ *Dear Mom & Dad,*

Two wonderful people that somehow were able to get together and created a wonderful family. We were both blessed to have you both and couldn't have asked for anything more in parents. Thank you so much for all your love and support through the years, you will always be in our hearts and mind!

*Love,
Paul & Steven*

Dearest Aunt Mary, There are no words to describe the sorrow I feel in your loss. You have always made our family smile and shared in many milestones along the way. We have many generations which comprise our families along the way. Although you may not have realized, I lived through you in your experience of raising two wonderful sons, Paul and Steven. I have done many of the same things with my two boys as well, we always had that in common. You remembered us so thoughtfully with your uncanny memory of every important date there could ever be. You and my mother, Christina, will always remind me of fond memories of our many vacations together. You were the best of friends. What fun we had! "Are the boys coming?" As we would always say. Your lovely, strong, beautiful and amazing presence was evident in everything you did. My dear, sweet Aunt Mary and Uncle George, you will be missed, cherished, and remembered within a very special place in my heart, now and forever more. Love always, Diane

“*Rest in peace Aunt Mary. The last of a group of dear and great friends going back to Astoria in the 1920s. My family will always cherish the "Georges & the Marys" and the happiness they brought to our childhood, with fondness and love. I shared this very sad news with my brother and sister and tears were shed. It is a passing of time and of generations.*
