“ *As a friend of the Milanese Family from childhood, I remember dear Maryliz as a creative, peaceful and loving big sister. I always wished I had a sister, and if I did, she would be Maryliz, sweet, kind and gentle, with a fun and creative spirit, one everyone adored! I am full of gratitude to have known Maryliz and the entire Milanese family. Maryliz will forever remain in my heart.  
With love, Sue Petersen (Susy)*

“*Maryliz was a special angel living among us. I will treasure my memories of her forever. I loved coming to the Milanese house as a child. Sometimes, we did a swap and Maryliz came to our house to play with Kathy, and I went to her house to play with Laurie. Then we were pen pals and I remember how intelligent her letters were. She had an eloquent way with her writing. She got the most out of everyday and enjoyed her time being with those she loved. She was a great cousin and even came to see me when I lived in Houston! (She was on a business trip and I was thrilled that she came to see me.) Her sweetness will always stand out in my memories of her.*”

“ I am so sorry Bill – I have nothing but good memories of Maryliz. Always a smile for everyone she met. When I moved out of Grace, she turned my tiny windowless office into a warm cozy room with her personal touch. May she rest in peace.

Maryliz was a very special girl and a sweet cousin. I admired her role as a big sister in the Milanese house. I remember being at your house and she was reading to "little" Maureen at the time. Along came Billy and set the iguana on her shoulder. She screamed "loud" but never got mad. I could see the love. When my mother said we were going in the car to see our cousins we were so happy and looked forward to seeing the kids. Sometimes Maryliz came to our house and we did a swap. I went to your house. Then Maryliz and I wrote letters. I loved her. She even came to see me once when I lived in Houston! She was on a business trip. I will treasure her memory forever.
