“ *Max was always a warm and generous person, and I enjoyed each time I was able to spend time with him. He was always ready to share his political insights and was very proud of his gardening, and of course, his love for his dogs. He took such pride in his gardens as he would give me a walking tour through his beautiful gardens that made me envious of his green thumb talent. My life growing-up with he and Arlene in my life, may it be a visit in Florida, a simple meal or a Thanksgiving gathering, these are all memories that I hold close to my heart. Rest in peace Max, and my love to Arlene and family.*

*Love, Laura*
