“ *Aunt May give me a blanket on a cold night as I was going to the E.R. with Mommy and Grandma years ago, I'll never forget that night. I would call and talk with her while she was sick, always asking what new book she was reading. She would ask how I was doing and I would answer with , we're both are going to be just fine!*

“ *Aunt May was so kind and a lot of fun to be around. She would always make me feel special. She was my hero and inspiration, fighting her fight.*
