“ I will miss my aunt Mimi so much! We grew up together and shared so many laughs as teenagers. She was such a kind person, loved to have fun, and was always quick to give me a compliment anytime we saw each other. She loved nice things and loved to experience life fully. Mimi, I will miss you and I will always cherish all of our memories. I always hoped that we would get to connect again and catch up on life and chat about the different roads we took in life, and also reminisce on our younger years. I will never forget you. I've been playing all of your favorite freesyle songs and thinking of all the fun times we had in junior high. Gosh, this is hard knowing that I won't see you again in this physical realm. Here's a photo of you. You were wearing my clothes in this photo and I remember thinking how much better it looked on you. I love you, Mimi! You will forever be in my heart. May you rest in peace. Love always, your niece forever and always, Bebey 💕💕

“ I don't have to tell you how special Mia was to me 😭 She was my BFF and she'll always have a special place in my heart! Mia held my hand during the most difficult times in my life and when she couldn't be with me in person she would hear me out on the phone for hours! She was a true friend! She always put other's needs before her own! I remember how she helped Raul and his brother Jose get their HS diplomas. She was such a smart girl and so outgoing! I loved her personality! She always had me laughing! She was truly the life of every party! I remember when we would go to BINGO with Mamita! We had such an amazing time! Mamita would be yelling at us because we wouldn't shut up 🗣️ I'm going to treasure all those special moments we shared! Mia had a beautiful soul and a big heart!! She gave her favorite paño to my daughter Elizabeth and told her to take good care of it because it was the one she always slept with. Elizabeth still has it! She will always treasure it!

Our dinner plans will go unfulfilled until we meet again! 😞 I will miss you always! May you be at peace my beautiful friend! I love you always and forever!! ❤️😘😊
