I need to share somethin about this man..... 6 years ago my wife was diagnosed with an illness, and I quit my job and stayed home to take care of her.... I had to reduce all my expenses to manage things and that included working with Michael. But he would not have it. That man sent his crew to my house every week for years, and refused to accept money until a better time..... Never hassled me and was always sincere about asking how things were. I've seen a lot of people do a lot of things in life but Michael was a gem..... People could learn a lot from the decency and kindness of Michael Brown. God bless his family and friends..... My heart is heavy hearing this news but I'm blessed to have had the privilege to know him.

“ We truly can think of no words which can lessen the sorrow you are all feeling at the loss of Michael. The only support is knowing that family shares in your loss and remembers a man who was always smiling, joking and helping his family. Our thoughts and prays are with Mike and his family.
