“ Words are poor things when we suffer the loss of a loved one. Still, I wanted to convey my desire, however inadequate, to offer consolation. Please accept my deepest sympathy for you and your family in your bereavement. I had the privilege to work with Mike at NY Tel for many years. He was a great colleague and someone you could always count on.

“ Condolences to the entire family and especially to my fellow bell ringers Jane & Karen. As I've said before, I will always remember Mike Maresco as a gentle giant who did so very much for our St. Peter's and our church family! An inspirational person for us all! His good works & example meant a lot to so many....but his faith has cemented his resting place with God!

“ To our brother in law. You will be missed at all family functions, where you always made us laugh and enjoy. We will miss your point of view on holiday discussions, and although you may not be there in person, we will always remember you at the table, especially at desert time when we all enjoyed the home baked goods. Whenever we drink a vanilla shake in this family, we will always think of you. Rest in peace and you will never be forgotten.

Love

“ My condolences to the entire family on Michael's passing. I can remember when I first met him at Stony Brook. As we walked around with in the snow, I realized that he was going to be someone very special in your life.
