June 6, 1987 - February 6, 2021

Michael Stephen Roman, of Huntington, passed away on February 6, 2021, at the age of 33. Beloved son of Diane and Cipriano. Loving brother of Anthony (Victoria) and Thomas (Sasha). Michael loved the freedom and joy of snowboarding, and was happiest in the mountains. “ We were heartbroken to hear about Michael's passing. Our sincere and heartfelt condolences go out to the family, and to everyone who loved Michael, on this unimaginable loss. Mikey was such a likable and good-natured individual, with a heart of gold and a smile that lit up any room he walked into. Our thoughts and prayers are with you all, and may God send you strength and comfort. Rest in Peace Michael. You were loved by many and will always be in our hearts.

“ To Diane, Cippy, Thomas and Anthony, my heart is broken for all of you. I was so sad to hear the news about Mikey. When we moved to Polly Drive he was just a baby, but before long, all of our boys, all five of them , Anthony, Michael, Russell, Thomas and Mikey, became best friends. They would hang out all the time together, back-and-forth to each other's houses, going to sports practices and games, so many birthday parties and of course riding the bus to school each day. In all the pictures and memories I have of Mikey, he always had a great big smile on his face, and although it's been many years since I've seen him, that is how I always remember him. I am so sorry for your loss. Patty Solow

“ Mike was a staple in our family and my daughter knew him as, “Uncle Mike”. She loved him dearly. We all loved Mike. On my daughters 2nd birthday Mike bought her a toy that she plays with everyday and it is her favorite toy. Whenever I see her playing with it I think of him. Mike was the most likable person I’ve ever met. You couldn’t dislike him. He was so fun to be around and always put a smile on our faces. He will forever be a member of our family and a person who helped change the trajectory of my life in a positive way. I owe him greatly for that and I know that he will be watching over our family and everyone else who loved him. And he was loved so, so many. We will miss you more than words can describe. You will forever be with us in our hearts. My deepest condolences go out to his family. You have our prayers in your hearts.
