“ *I am extremely saddened to hear of Michael's passing. Michael was a student in my class this spring. He was consistently respectful as we spoke often after class. I always appreciated his thinking and was thrilled to hear him present his work during our final class time together. Please accept my heartfelt condolences. May your memories provide you peace.*

“ *I was just informed that Michael passed away. I am stunned and deeply saddened. Michael was a student in my class this spring semester. He began the semester as I hope all students do -- he was responsible, insightful, and clearly intelligent. I was proud that he was studying to be a teacher.*

*My prayers go out to his family and friends. I pray for strength, for support, for understanding, for love.*

“ Dearest Michael,  
You will not be forgotten. I am comforted by the fact that you are no longer suffering.  
The out pouring of love that I saw this weekend is a tribute to the kind of person you were. Please ask God to give your Mom and Dad and Samantha the strength to go on. You were and always will be an angel to me. Love Aunt Sharon xoxoxo.
