“ *Jordan & I will always remember the great times we had with "Mikey Hammer " & Nancy at the Haskell's parties. So much laughter, he would always make you crack up. The kids loved him & you could tell he truly enjoyed playing with them, he was biggest kid of all! We didn't get to spend a lot of time together since we moved to Florida But always enjoyed his company when were home for a visit. He was a wonderful, caring person & we could use more people like "Mikey Hammer" in our lives, so glad we were able to call him a friend. Hoping the wonderful memories. Will help to ease your family' s sorrow.*

“ I have so many great memories of Mikey Hammer. All the family parties Get the tables! the red are hotter, This was an inside joke we had. The most I remember about him is how much he loved playing with the kids he was such a great family man. Nancy and hammer came to all my children's birthdays and we would stop by on Christmas. You could see the joy and the love that he had for my children. He was so much a part of my family My children are adults now but they'll always treasure the memories of uncle Hammer and we are truly blessed for having him in our life. Thanks for all the good times and laughter. I know you're up in heaven right now having a good time and hanging out and dancing with Sylvia. We love you❤️

“ *Dear Nancy, The news of Mike's passing showed up on my Facebook feed today (I am FB friends with your sister Alberta). How truly sorry I feel for you and your family. Mike was a day brightener every time he greeted us at the CVS pharmacy. You both are super special people. I'm sure I speak for all the pharmacy team when I say we loved knowing Michael and we will miss him. May your loving and kind spirit carry you through this difficult time of loss. With Warmest Regards, Dorothy Malone (from CVS)*
