“ For my Auntie Michelle:

*Your courage moves mountains,  
your love so pure.*

*Your smile like magic,  
all sadness it cures.*

*Your heart with such power,  
more warmth than the sun.*

*Your words so much meaning,  
comparable to none.*

*The lessons you teach,  
push us all to strive.*

*The care that you give,  
touches so many lives.*

*Though your body remains  
and your spirit did fly,  
this is not a farewell,  
nor is it good-bye.*

*For in our hearts you remain,  
as deep as roots grow.*

*Our sweet Michelle,  
forever we love you so.....*

“ *Sean and Family -*

*At times like these, with the loss of a loved one, what moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why they left this earth so soon, or why they left before we were ready to say good-bye, but little by little, we begin to remember not just that they died, but that they lived. And that their life gave us memories too beautiful to forget. Our deepest, heartfelt condolences on your loss Sean and we love you very much.*

“ While I did not have the chance to know Michelle for a long time, the short time I did know her showed me she was a caring, nice, fun and beautiful person. She always had a smile for everyone. The last time I saw her, which was only a few weeks ago, she was out having a great time with her friends and she was so happy. I'm sure her life touched many people, and she will be greatly missed.

“ Michelle was such a kind and loving person. She fought the good fight and always with a smile. I will always remember the talks we had about MS since my mom suffers from it as well. She made the best with the hand that was dealt her. And Personally I am sad Michelle is gone but glad she is up with the angels watching over all of us. God Bless Michelle R.I.P

“ Gone at too early an age. I am very saddened by Michelle's passing. A woman who never spoke badly of anyone and really seemed to embrace the music and friendship that seemed to give her genuine pleasure. Fly to the angels, xoxo.

“ Michelle was such a loving soul. One email from her I remember was she always had some encouraging words to say. She used to call me "cute as a button" and it just made me laugh every time she said it. Thanks Michelle for the memories. You are clearly among the angels, looking down on us all! xoxo Love to your children during this time.
