“ Greetings to the Michelle May Family,

As long as I've known Michelle she has been the consummate professional, always showed up to work on time and stayed late , many days she worked the long extended 12 hour shift as she was saving up for a move to the mid Atlantic community. As a Certified Registered Nurse Anesthetist (CRNA) she worked shoulder to shoulder with the Doctors, surgeons, nursing & ancillary staff many times in a most difficult situations, yet, always with a smile and good humor.

Never one to shy away from playful banter she was smart and sassy. Warmly I'd call her a "Ginger Snap" for her sweet and sharp retort. We worked together in the Anesthesia Care Team for many years and enjoyed every minute. She would share her experience at Duke University Hospital and bring her knowledge and expertise to our local community hospital at St. Catherine's and others. Her esthetics lead her to seek out and work with the Reconstructive Breast Cancer Service.

A loving mother , a caring wife , a intelligent professional, great energy & gregarious , she was the full package in her peppy, orange 4x4 Jeep Renegade that reflected her adventurous personality.

We at Suffolk Anesthesiology Associates will miss her tremendously and offer our heart felt condolences to her colleagues, friends and family whom she shared her love of life.

Regards,

James T. Suazo, MD

and the entire SAAPC family including Drs . Turner, Fondacaro, Gambhir, Fernando, Smith, Tito, Kubanick, Mayo, Rádianos, Sverdlova, Whittemore.

And our entire CRNA team Gangemi, Gellweiler, Hawthorn, Hendershot Lochard, Lampasona, Lombard, Macaspac, McKay, Prygocki, Shultz, Zullo.

“Michelle and i became best friends in 5th grade! Her mom and Gary called her Mickey! We were instantly drawn to one another because of our similar humor. we enjoyed making people laugh, especially ourselves. She was the first person i knew that had a waterbed, strobe light and a parakeet! We taught each other the “hustle” dance. We joined a church group together named pathfinders and walked to her home on Worcester Rd from school many times. Stopping at Agway to get some free applejuice. We laughed and laughed till we peed our pants!! Michelle taught me how to play backgammon- i recently purchased the game and shared that memory with her! She moved to another home in Sterling- Christopher and then the twins Benjamin and Jonathan were born-Michelle adored them! We would sleep outside in a camper with her Weimaraner- Rufus to get peace from babies. Often We would ride our bikes to meet each other and ride to school. Every summer she left to spend time with her father. I couldnt wait for her to come back. We sang “ Forever in Blue Jeans” for my parents and created this comical skit called “Buzz”! She moved away the day we graduated 8th grade! The next and last time i saw Michelle was at her mom, Jodi’s funeral. Another beautiful soul gone too soon! We always said we should get together but life got in the way! i am so sorry that we didnt! Rest in Peace my friend! You will always be in my heart! I love you! Laura Plouffe
