“ *So, so sorry to hear of the tremendous loss of your Mom. I have so many memories of her, and she taught me so much about life. How to be grateful. How not to complain, how to show my daughter everything the world has to offer. After doing her hair for twenty three years, every week, I could go on and on. She was my first favorite client, I loved how she treated EVERYONE. I loved her wit. I loved her grace. I loved how she loved all of you. I loved her stories. We stayed in touch after I retired, I just loved her. Love to you, Carol, Jim and Billy. I know she is happy to be with her beloved "Bill" and Bobby. We are all truly blessed. I will never ever forget her. ❤️*
