“ *My sweetNana, forever missed and thought of so often always lovingly. Taken me too long to write you, as I'm still in a terrible way, and adding the traumatic additional loss of my mother, your favorite daughter, is more than one can take. I try to imagine the two of you taking care of each other, as you both always did, & pray you are watching over your Barbara & Tony 🙏🙏🌹🌹❤️❤️ We need you always and pray to you often. Missing, remembering & yes, still crying forever 😭🌹❤️*

“ *Nana, your daughter is now with you. You are together, amongst all the angels, as you were, and shall be, eternally. My sorrow, my sadness, but most of all, my love will be carried in my heart, forever. All my infinite love. Your grand daughter & daughter, Barbara 🙏❤️*
