“ I am so sorry for your loss. Millie and I have been friends for many years. Our sons are childhood friends. We were in a book study group and also members of Suffolk Skidaddlers Ski Club. I have many happy memories from ski trips, going out on Millie & Bill's boat, and sharing much over the years. I will remember her as a loving and caring Mom and friend who was always positive and smiling. I will miss you Millie.

“ I met Millie and Bill about 25 years ago through our love of sailing at Ketewomoke Yacht Club. One fall I invited them to to crew with me on a race from New Haven CT to Greenport, and they unhesitatingly agreed. During the race it was tense, the wind was strong and Block Island Sound was rough, with other race boats furiously tacking back and forth across our bow and stern as Bill and I beat our way windward in manly fashion. Meanwhile Millie, nonplussed, wedged herself below, between the cabin settee and salon table calmly doing a New York Times crossword puzzle, seemingly oblivious to battle above. Another candle is lit for you Millie.
