“ I have a legal inquiry because

apart of my management to Huntington, LI NY and the East Northport Navy National Guard

Armory and prominent estate

from the UK was managed by Nancy Munson.

How is that managed in her passing?

Who can i contact from her

office? I simply trust she

always did the job.

Is this otherwise the story of Life in America a generation of

management in passing is allowed to be squandered by

the continuing legacy of

Central Islip HS? You know who

they are!

You better think about this seriously.

*I was disheartened to learn
of her accident. However it was
arranged?*

“ I wanted to share my deepest sympathy to the family and friends of Nancy. I also worked with Nancy to establish a scholarship at the College of Staten Island. In doing so, we worked on her bio to pass onto recipients of the Nancy K. Munson Scholarship. I wanted to share here:

Nancy Kay Munson was born June 22, 1936 in Huntington. She attended Hofstra University from 1959-1962 and received her JD from Brooklyn Law School in 1965.

Nancy began working at the First National Bank of Huntington immediately after high school graduation. Her interest in law and particularly banking law inspired her to begin courses via a correspondence school, LaSalle Extension University. Her aptitude was quickly evident and after a year of part time studies, she decided to quit her job, go to college and law school. Nancy was the only woman in her law school class and graduated at the top of the class in Will and Estates and Property. At the time, it was very difficult for her to gain admission to law school. She camped outside the Dean's office until she finally caught his attention and told him of her intentions to be in the next entering class.?

While law clerking part time, she garnered enough credits in 3 years at Hofstra University to enter Brooklyn Law School from which she graduated. She associated with E. Merritt Weidner until 1966 when she opened her own practice.

Nancy has been admitted to practice before the U.S. Supreme

Court, the 2nd Circuit Court of Appeals, the Eastern & Southern Districts of New York, as well as all New York and Suffolk County Courts. She is a member of the American Bar, New York State, Suffolk County, and Brooklyn Bar Associations. She is attorney for the Huntington Fire Department and Trustee of their Death Benefit Fund.

Nancy has given much time representing the Thomas Munson Foundation. She is also past President of the Huntington Soroptimist Club, on the Board of Legal Advisors for the Chicago Title Insurance Company, and is Chairman of the Board of Directors of the Brooklyn Home for Aged Men. She is listed in Who?s Who of American Women, Who?s Who of American Law and Who?s Who of Finance and Industry. Nancy is a member of the D.A.R.
