“ *I want to let you know how sorry I am, and how much we all loved Uncle Nicky! He's with his lovely wife and my mom and dad now, playing cards and who knows what else. Butthat doesn't stop us from missing them something awful - and forever.*

“ *I cannot think of Uncle Nick without thinking of my father. I remember how Uncle Nick, Uncle Sal and my dad would call each other "Moe". I love them all dearly. God Bless Uncle Nick, rest in peace. Love, Mary*
