“ *Mrs Florentino was a neighbor when I lived in Greenlawn .She was like a second mom to me when my parents were away.She saved my life due one day I couldn't move off the couch ,but I was able to get your mom on the phone she came over ,the flame for the heater burner had gone out and gas was in the house .She took me to the hospital then back to her house nursed me back to health by then my parents were back in town.I will always will be grateful for everything Greenlawn neighbor would do for each other .Up in heaven the Greenlawn families will be back together .My prayers out all your families .Kiss her good bye for now .Love Kathy*
