“ *My condolences to the Burke Family, I'm just hearing of the sad news from the Suffolk County Soccer Association we belong to. I did not have many years knowing Odel, but from the many times were in a meeting together or officiated I knew Odel was a good man. God Bless the Burke family and I will pray for your continued strength during thrdr emotional days ahead.*

“ *Dearest Odel aka Tony,  
Many people in Long Island know you as Odel. I knew you as Tony. For a long time you and I shared the same alias until my son was born and I named him Anthony. There are so many memories of us, your sisters and mom growing up together in Portland. I will cherish these memories forever. You were a great father, son and brother. You were taken away too soon. Rest in peace my cousin. I will miss you. Love Rupert aka Tony.*

“ To The Burke family,

*Odel was a colleague from CPC from 2005-2008, who from my first day made me welcome. His smile, his positive attitude, and his kindness defined him as one of the best. His presence will be greatly missed and I truly grieve with you at your loss. Though no one can truly comfort you during this time, I wish to offer these words for they have comforted me in the past, by L.R. Knost*

*"Life is amazing, and then it's awful, and then it's amazing again. And in between the amazing and awful, it's ordinary and mundane and routine.*

*Breathe in the amazing, hold on through the awful, and relax and exhale during the ordinary.*

*That's just living heartbreaking, soul healing, amazing, awful, ordinary life, and it's breathtakingly beautiful"*
