“ My deepest condolences to the rest of the family and friends. I pray that God continue to keep, strengthen and comfort each of you. And may he give you peace to get through each day. My name Is Tiffany Hogarth also known as Tiffany Solomon. Mrs. Olga is my God Grandma as a result of her daughter Diomeda being my Godmother. I'm just finding out of this passing. It breaks my heart, and I wished I could of sing for her, but she is in a better place. I will always hold in my heart the times we spent, times of laughter and the life lessons she would teach me. Also the times I would come over and hang with grandma Olga and Dio at the house and playing with the cats and dogs and having a meal together. Grandma Olga was a smart, classy, humerous, fun and wise person to be around. She always puts a smile on your face. May her soul RIP.

“ Olga Smith was my elementary school principle. It's weird because for some reason I woke up with her on my mind. I went to my phone and there was obituary. She was a tall strong woman who had rules and she enforced them but at the same time she was kind. I was little Tha but when the school busses came around to pick us up Mrs. SMITH was right there making sure ever6went smoothly. I attended Washington Elementary on Whitson Road off of Park Avenue in Huntington N.Y. Sleep in Peace.
