

Opal Wendy Francis Swaby

November 10, 1971 - May 22, 2025

With heavy hearts, we announce the passing of Opal Wendy Francis Swaby of Brooklyn, NY, who departed this life on May 22, 2025, at the age of 53.

Opal was the beloved wife of Maurice Swaby, and a devoted and nurturing mother to Lincoln Powell, Andino Powell, Ryan Swaby, Maurice Swaby II and Desiree Ortiz. She was the cherished daughter of Evette Powell and the late Leroy Francis, and a proud, loving grandmother to Natalia Powell, Kaiden Jones, Maurice Swaby III, Ellani (Memes) Swaby, and Katalina Swaby.

Opal's heart knew no boundaries. In addition to her biological and stepchildren, she lovingly embraced many young people as her own, offering them the same unwavering care, guidance, and affection of a mother. Among them are Errol, Cashief, Geoffrey, Kareem, Dondre, Jaimee and Faviola—each of whom she held close to her heart as her chosen children.

A caring and compassionate sister, Opal will be deeply missed by Dainton Thompson, Rondley Francis, Keisha Francis-Forester, Claudia Francis-Copeland, Omar Francis, and Mario Francis. She was also treasured by many aunts, uncles and cousins who held her dear.

Opal's warmth extended far beyond her immediate family. She had a gift for making others feel seen and loved, and she embraced countless friends as

though they were her own family. Her kindness, strength, and unwavering love touched the lives of all who knew her.

In honor of Opal's vibrant spirit and joyful legacy, the family kindly requests that all attending the service wear dress attire in blue or bright colors. Rather than mourning in sorrow, let us come together in love and light to celebrate the beautiful life that Opal lived — a life filled with grace, compassion, and unwavering kindness. Thank you for helping us honor her memory in a way that reflects her radiant soul.

Opal's legacy of love, generosity, and joy will live on in the hearts of those she leaves behind.

In lieu of flowers donations can be made in Opal's memory to:

“ A cherished memory of my cousin, Opal, includes spending time together at our late grandparents house during the summer in St. Elizabeth, Jamaica. These were days filled with laughter and sitting at Mama’s feet listening to stories.

As we got older our life choices separated us and our interactions became infrequent. Nonetheless, whenever we reconnected it was like we just saw each other.

When Opal committed her life to the Lord as a Seventh-Day Adventist, our bond became tighter. We encouraged each other on our lengthy phone calls and text messages, with the last being on May 9th.

As we mourn the passing of Opal, we hold fast to the blessed hope, knowing that one day Jesus will come again to reunite us with Opal and those who fell asleep in Christ.

"OPAL" is a Gem-a semi-precious stone that comes in many shimmering pieces and translucent colors.
The spiritual meaning according to Google us faithfulness and confidence .

I happened to be one of Opal's Employer for over 25 years and found her to be a GEM.

It's no surprise she was given the name OPAL.

Don't want to "paint the Lilly white" but I join in expressing similar sentiments as were previously mentioned ...CARING..THOUGHTFUL ..COMPASSIONATE..RESILIENT....DEPENDABLE...DETERMINED... KIND and FAMILY ORIENTED...

Sincerest condolences to her family and friends especially my GODSON Lincoln (LJ)

YOUR LIFE WAS A BLESSING..YOUR NEMORY A TREASURE.

*THOSE WHO TOUCHED OUR HEART WITH LOVE
STAY IN OUR LIFE FOREVER*

REST IN PEACE OPAL

“ I worked with Opal at Junction Pharmacy for many years. She was a lovable person, very kind and always looking out for others, especially her family. She will be missed by all. Her last trip to Jamaica she stopped at the Pharmacy to make a purchase, when leaving she gave me a big hug. Boy it still don't feel real. R.I.P my friend.

Opal the memories we share are only memories now ; but they will be cherished as long as I have a breath. I will never forget your years at the pharmacy ,in Junction especially fond memories of the times when my daughter Annekay was sick :and on our several trips from Dr Thames when I came to fill prescription . Your encouragement when sometimes I was at my lowest points ,or just the look on my face conveyed what I was feeling . Your encouragement and advise , your infectious laughter . Your warmth your hugs meant so much and I am so glad I always made you know you were so appreciated . You were a one of a kind human beings . You are gone but you will never be forgotten : and your great memories will stay you alive in the hearts of those who love you and those you love memories of joy and laughter and a genuine desire to make this place a better place than you found it . We cannot Lord thy purpose see but all is well that's done by thee. “ Rip dear Opal and may light perpetual shine upon you “Until that day when our eyes behold that city Until the day He calls us home . 🙏🙏

“ Opal, you were a sister inlaw like none other, from the first day we laid eyes on each other the connection started. Like I told you, even though you could have been my child, you became my listening ears, & I yours. You cared for me in ways that not another person have ever cared, Una ,you, and I promised to take another trip after having such a blast. Like the night we left, bro and went night shopping hanging out with sellers, that night laughed so much. Sis, I could go on forever ,but let me say good bye for now, you will always be in my heart, until my time comes to leave this earth, 💔

Sleep on and take your rest. Good night, Good night. Love you. 🙏❤️🌸🌸🌸
