“ We had the pleasure of having Pam as the babysitter of our two young daughters. Pam however did not just stay our babysitter, she became our friend. Actually, friend doesn't describe the relationship either. She became like family. We shared laughter and tears and births and deaths and all other matters of life for 30 years!. She watched as those two little girls she took care of grew into wonderful young women. I watched from a distance as her son and daughter both married and had families of their own. I heard the pride and love in her voice as she spoke about her husband and her family. She felt blessed to have the love of these wonderful people around her.

One tidbit that still makes me laugh today-

Almost 28 years ago, late one night, I had to call Pam and ask if I could possibly drop my girls off super early as I had a work emergency first thing in the morning. I dropped the girls off at 6:15am the next day. As always, Pam was at the door to meet me. Every morning when I arrived, she would say, Good Morning Ruth!. However on this VERY early morning, she was still just starting to get her eyes open and she could barely speak and she said-, "Good Morning, Roof"- we both could not stop laughing. From then on, every time I saw her, talked to her or heard from her, I was forever, "Roof".

I will cherish the relationship I had with Pam. The laughter and the legacy of love will stay with be always. I felt honored to know her, but I felt honored that she considered me a friend.

Rest in Peace! I will miss you so.

“ My thoughts and prayers go out to you all. I have so many fond memories of Mama Bear throughout my childhood. All the sleep overs I had with Jennie. All the times MB would help us get dressed up for Halloween and other fun holidays. Sharing my love of animals with her and our life lesson conversations. And then after I had "grown up" and reconnected with her on FB, we had so many wonderful talks. I will always remember all of those memories. Mama Bear, you are forever in my heart and I will carry you with me always. ❤️

“ I remember playing in your back yard, Gary my brother got hurt in a pole bleeding all over, and your mom took him inside and fixed him all up, she was so loving and caring! I also remember all the baby mice that you had, my mom and Your mom were best friends, I am so glad that the last few years they got back together again! Praying for you all to have peace!
